

Manufacturer	Product Name	Product Description	Location of Use	Stocked	Modular	Rolls	Cut	Custom
Wearwell	24/Seven Solid GritWorks!	A substantial 3'x3' modular anti-fatigue mat with gritted solid surface for additional traction.	Wet: Grease/Oil Wet: Water	X	X			X
Wearwell	WorkSafe Light	A high performance, light weight drainage mat in a cutting fluid resistant compound.	Wet: Grease/Oil Wet: Water	X	X			X
Wearwell	24/Seven GritWorks!	A substantial 3'x3' modular anti-fatigue mat with a gritted drainage surface for additional traction.	Wet: Grease/Oil Wet: Water	X	X			X
Wearwell	Grade "A" The Food Production Mat	The first mat designed specifically for the food production and manufacturing industries.	Wet: Grease/Oil Dry: Food Production	X				
Wearwell	24/Seven	A substantial 3'x3' modular anti-fatigue mat with a drainage surface.	Wet: Water	X	X			X
Wearwell	24/Seven Solid	A substantial 3'x3' modular anti-fatigue mat with a solid surface.	Wet: Water	X	X			X
Wearwell	Comfort Deck Ramps	A premier, heavy duty vinyl anti-fatigue mat designed for performance and drainage.	Wet: Water	X				
Wearwell	Industrial Worksafe	This extra thick, springy, natural rubber drainage mat is supremely comfortable and has rugged beveled borders.	Wet: Water	X				X
Wearwell	Static Dissipative Anti-Fatigue	Effectively control static discharge and prevents employee fatigue.	Dry: ESD	X		X	X	
Wearwell	Electrically Conductive Anti-Fatigue Diamond-Plate	Premium electrically conductive anti-fatigue matting quickly drains static electricity off workers before it can harm sensitive equipment.	Dry: ESD	X		X	X	
Wearwell	Clean Room Mat	Traps impurities in areas that require dust and dirt control.	Dry: Clean Room	X				
Wearwell	WeldSafe	Excellent anti-fatigue mat with a Nitricell spongebase, designed specifically for welding areas.	Dry: Welding Areas	X			X	X
Koneta	Counter Tred Custom-Cut Mats	Engineered for worker safety, tough durable mats offer excellent resistance to foot traffic, forklifts, and wheeled carts.	Wet: Grease/Oil Wet: Water	X				X
Koneta	Drain-EZ Mats	Ribs run the length of the mat for easy cleaning. 1/8" raised knobbed underside offers maximum anti-fatigue support.	Wet: Grease/Oil Wet: Water	X			X	X
Koneta	EZ-Walk Mats	Smooth surface resists ripping, tearing, and curling. Good for heavy traffic areas.	Dry: Cart Traffic	X		X	X	X
Koneta	Nyacord Anti-Fatigue Mats for Industrial Environments	Features slip-resistant top and bottom surfaces. Perfect for heavy traffic areas, auto truck assembly, industrial work stations, machine shops, etc.	Dry: Cart Traffic	X				X
Koneta	Nyacord Anti-Fatigue/Drainage Mats	Long-lasting construction features a combination of rubber and specialty resins that offer maximum anti-fatigue support, as well as chemical-resistance.	Dry: Cart Traffic	X		X		X
Andersen	Happy Feet Heavy-Duty Nitrile Rubber Mats	Versatile anti-fatigue mats offer excellent static dissipative properties, are weldsafe, and promote safety in wet or dry areas.	Dry: ESD Dry: Welding Areas Wet: Chemicals	X				
Andersen	Hog Heaven Anti-Fatigue Mats	Perfect for mostly dry areas or where chemicals are present and features increased slip-resistance,	Dry: ESD Dry: Welding Areas	X			X	X
Andersen	Hog Heaven Anti-Fatigue Carpet Mats	Attractive super thick carpet mat offers maximum anti-fatigue benefits.	Dry: Other	X			X	X
Andersen	Safety 1st Anti-Slip Message Mats	Effectively removes tough dirt, grime, and water from feet in entryways, production rooms, or anywhere traction is critical.	Wet: Chemicals Wet: Grease/Oil	X
